KODAK BCS100
KIDS BINOCULARS

A children's model with all the features of a grown-up's

KODAK BCS100 binoculars are specially designed for children. They are ideal for outdoor activities and exploring nature. These binoculars are compact, lightweight and have a soft rubber coating for a secure, comfortable and ergonomic grip. They are easy to handle and open and close to fit any size of face. The 8x magnification is ideal for children as it provides greater viewing stability. The central wheel allows precise adjustment of focus. A strap and carrying case are included for ease of daily use. Both educational and fun, the BCS100 binoculars will stimulate children's curiosity and imagination.
