KODAK BCS400
BINOCULARS

A pocket-sized model that thinks big !

Combining lightness and ergonomics, the KODAK BCS400 binoculars fold up for a minimal footprint. The rubber coating ensures a comfortable grip and provides good impact resistance. The 10 x magnification factor is ideal for detailed observation of objects and is popular with birdwatchers. Equipped with 25 mm diameter lenses, they provide a wide field of view so you won't miss a thing. For precise adjustment, the central dial is easily accessible to control the focus of the image. They are equipped with a practical strap and come with a storage case for easy and secure transport.

KEY FEATURES :

- Roof prism
- 10 x magnification
- 25 mm objective diameter
- Field of view at 1000 m : 96 m
